

NORTH POCONO DANDY LION LITTLE LEAGUE ALL-STARs

Dear Players and Parents,

This letter is meant to inform you of the expected All-Star commitments in the event you are selected to be on an NPDLL team. NOTE: This letter should not be interpreted as notification of selection to an All-Star team.

The Little League All-Star tournament is a competitive tournament, which means the teams play to win, in order to continue to advance to Districts, Sectionals, State/Regional Finals, and ultimately the Little League World Series.

Please be aware and agree with the following points in the event you are offered an All-Star position for the 2022 Season

- Some players will see more playing time than others.
 - There will be a minimum of 11 players offered positions, which makes substituting players over the course of a six-inning game very difficult.
 - Both parent and player must be agreeable and accept the possibility of limited play time.
 - This offer does not need to be accepted.
 - A player can miss 1 practice with a valid excuse. If a player misses 2 practices, the manager must notify the Player Agent and the Board of Directors for further review. This will include the player playing the minimum play time at the next game(s).
 - A player can miss 1 game with a valid excuse. If a player misses 2 games, the manager must notify the Player Agent and the Board of Directors for further review. This will include the player playing the minimum play time at the next game(s).
 - Players can and will be removed from an All-Star team and permanently replaced if needed by the Board.
- **The window for All-Star practices and games is from late May till potentially late-July. Please provide any days where the player will be unavailable to attend All-Star practice and games for an extended duration (ex: vacation, etc).

Dates: _____

All star coaches are volunteers and their wish is that all players will practice and play as a team. The coaches' decisions are based on what is in the best interest of the team.

The coaching staff and players will always be positive in their approach to each practice and games. We expect the parents to be part of this positive team building approach.

*All parents of NPDLL All-Star players are REQUIRED to work a minimum of ONE game in the concession stand (Aston or Dandy Lion) where NPDLL is hosting an All-Star game. Parents will not be asked to work an All-Star game that their child is playing in. A parent's non-participation

in working the concession stand may impact the eligibility of their child on an NPDLL All-Star team.

The fees for an All-Star position on an NPDLL team will be communicated going forth. The All-Star fee will be based on the 2022 International fee to charter a team and the District and tournament fees. Once the fee has been determined by the Board, this fee will help pay for your child's All-Star jersey. The fee will not exceed \$75.00

By signing below, you acknowledge the requirement for availability and attendance for NPDLL All-Star teams.
