Public:

John McCollum raised a concern on kids playing up rather than playing in the age bracket they maybe should be in. (NPDLL requires 1 year tball, LL rules 4yr old can play CP, 7-12 able to try out. Safety Officer / Player agent would have to review/decide placement if safety concern raised).

Mark Walton – Keys missing from last year.
Keys for Majors/minors, CP & tball will not have enough keys to hand out.
Managers should have keys for both facilities. (Discussion on having Managers provide a deposit for the keys).
Status of re-keying or having more key sets made up.
